

From Life Touch Hospice's

OPERATION APPRECIATION

In 2010, Congress voted unanimously in favor of observing support of a **National Spirit of '45 Day** on the second Sunday of every August, coinciding with the anniversary of August 11, 1945, the historic day when President Harry S. Truman announced that World War II was over and America took on the responsibility for rebuilding the postwar world in an unprecedented effort to assure a better future for both its allies and former enemies alike.

Please join Life Touch and salute those who served in uniform and on the home front, pay tribute to those who gave the ultimate sacrifice, and mobilize all Americans and future generations to carry on the legacy of national unity and commitment to service of the World War II generation.

**KEEP THE
SPIRIT
OF '45
ALIVE!**

National Spirit of '45 Day provides an opportunity for America to say "Thank you!" to those who served in uniform and those who supported them on the Home Front, the men and women who were the "ordinary heroes" of the WWII generation who are now passing away at an estimated rate of one every 90 seconds. It is also a time to honor the memory of the more than 400,000 Americans who made the ultimate sacrifice and never came home.
