Alabama National Cemetery**

3133 Highway 119, Montevallo, AL 35115

Please join us as we honor the women of the "Greatest Generation" who served on the home front during WWII and share in a bit of their history. Our Rose Garden is part of the national living memorial that is being built in their honor so that the Rosies can be remembered, especially every year on Rosie the Riveter Day and Spirit of '45 Day.

Everyone is invited and encouraged to bring a Rosie and/or a WWII veteran to be recognized for their service to our country.
