ROSIE THE RIVETER™ Floribunda

cv. WEKzazou • PPAF — *Rosie the Riveter* pays tribute to the women who worked in factories and shipyards during World War II. The old-fashioned flowers of orange-gold suffused with pink are surely reminiscent of that era. The exquisite pointy and shapely buds are proudly held on top of very glossy dark foliage as a feminine symbol of charm and strength.

The moderate fruity & spice scent is the perfect complement to represent a famous women's cultural icon. Like the tireless Rosies, the even rounded plants of *Rosie the Riveter* are the workhorse of the garden, producing an arsenal of flowers.
