

Military Order of the Purple Heart Department of Delaware

“Keep the Spirit of ‘45 Alive”

**Honoring the Sacrifices of
America’s World War II Generation**

*We warmly invite all WWII Veterans,
their spouses and families to join us for
a photo with the Spirit of ‘45 Day Express
as we begin the countdown to the
70th Anniversary of the end of WWII in 2015*

In 2010 the US Congress voted unanimously in support of establishing the second Sunday in every August as *Spirit of ‘45 Day*, a special day honoring the legacy of the World War II Generation.

As we conclude today’s Memorial Day ceremony, we remember the more than 400,000 Americans who made the ultimate sacrifice in World War II, as well as those members of their generation who have since passed away.

*They shall not grow old as we
that are left grow old.*

*Age shall not weary them, nor
the years condemn.*

*At the going down of the sun
and in the morning we will
remember them.*
